

HAUPTFILM PRODUKTION

Hauptfilm Produktion is an independent film production company based in Leipzig and Berlin. Producer Christine Haupt founded the company in 2008. Hauptfilm Produktion produces mainly feature films as well as for the national and international market. We are also working in the field of animation/crossmedia film, one is currently produced in Stereo 3D. Besides several film projects for feature and documentary films are in development.

Haupt's films run on festivals throughout the world and received numerous awards.

Christine Haupt has been Jury member in several Film Festivals and is member of the European Film Academy (EFA).
